#### INDEPENDENT AUDITOR'S REPORT

The Board of Directors and Management of Detroit Chamber Winds, Inc. and Subsidiary Southfield, MI

#### **Opinion**

We have audited the accompanying financial statements of Detroit Chamber Winds, Inc. and Subsidiary (a nonprofit organization), which comprise the statement of financial position as of July 31, 2022 and 2021, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Detroit Chamber Winds, Inc. and Subsidiary as of July 30, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Detroit Chamber Winds, Inc. and Subsidiary and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Detroit Chamber Winds, Inc. and Subsidiary's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

• Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that
  are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
  effectiveness of Detroit Chamber Winds, Inc. and Subsidiary's internal control. Accordingly, no such
  opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that
  raise substantial doubt about Detroit Chamber Winds, Inc. and Subsidiary's ability to continue as a going
  concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED JULY 31, 2022 AND 2021

#### **NOTE 1 - ORGANIZATION AND NATURE OF ACTIVITIES**

Detroit Chamber Winds, Inc. (DCW) presents a variety of chamber music concerts and music education/appreciation events in the metropolitan Detroit area. DCW receives support primarily from concert ticket sales, individual donors' contributions, government grants, foundation grants, and corporate contributions.

ArtOps, LLC (ArtOps) is a 100% controlled subsidiary of DCW and was established to provide executive and administrative support to other arts related non-profit organizations in metropolitan Detroit. ArtOps receives support primarily from administrative contracts and various government and corporate grants.

#### **NOTE 2 – SUMMARY OF ACCOUNTING POLICIES**

The following is a summary of certain accounting policies followed in the preparation of these financial statements. The policies conform to accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of the financial statements.

#### Basis of Presentation

The financial statements of the Organization have been prepared on the accrual basis in accordance with accounting principles generally accepted in the United States of America. The financial statements are prepared in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 958 dated August 2016, and the provisions of the American Institute of Certified Public Accountant (AICPA) "Audit and Accounting Guide for Not-for-Profit Organizations" (the Guide"). (ASC) 958-205 was effective January 1, 2018.

Under the provisions of the Guide, net assets and revenues, and gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, the net assets of the Organization and changes therein are classified as follows:

#### Net Assets without Donor Restrictions

Net assets that are not subject to donor- imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. These net assets may be used at the discretion of the Organization management and the board of directors.

#### Net Assets with Donor Restrictions

Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

#### Principles of Consolidation

The accompanying consolidated financial statements reflect the consolidated assets and liabilities, activities, and cash flows of Detroit Chamber Winds, Inc. and ArtOps, LLC, (collectively, the "Organization"). All significant interrelated transactions between Detroit Chamber Winds, Inc. and ArtOps LLC have been eliminated in consolidation.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED JULY 31, 2022 AND 2021

#### **NOTE 2 – SUMMARY OF ACCOUNTING POLICIES (CONTINUED)**

#### Concentration of Credit Risk

At times, the Organization has balances on deposit with certain financial institutions that may exceed federally insured limits. The Organization has not experienced any losses in such accounts. Management believes that the Organization is not exposed to any significant credit risk for cash.

#### Use of Estimates

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

#### Investments

The Organization records its investments in accordance with ASC topic *Non-Profit Entities Investments*. Investments are stated at fair values based upon quoted market prices using prevailing financial market information. Realized gains and losses represent the difference between the proceeds received and the cost of investments sold. Unrealized gains and losses represent the change in the market value of the investments during the year.

#### Accounts Receivable

Accounts receivable consists primarily of pledged contributions and grants, and administrative contracts and are stated net of an allowance for doubtful accounts. The Organization does not require collateral for its accounts receivable and all accounts are expected to be received within one year. Periodically management reviews the accounts receivable for collectability and establishes an allowance for doubtful accounts receivable. An allowance for doubtful accounts receivable of \$1,500 has been recorded as of July 31, 2022 and 2021.

#### Property, Equipment, and Depreciation

Property and equipment is stated at cost. Expenditures for maintenance and repairs are charged to operating expenses. Adjustments of the asset and the related accumulated depreciation accounts are made for property and equipment retirements and disposals, with the resulting gain or loss included in the Consolidated Statement of Activities. Depreciation is computed using the straight-line method over the estimated useful lives of the related assets, which range from 3 to 7 years.

# Deferred Revenue

Deferred revenue represents ticket sales and concert sponsorships for the subsequent season. Revenues will be recognized for the season in which the concert occurs.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED JULY 31, 2022 AND 2021

#### **NOTE 2 – SUMMARY OF ACCOUNTING POLICIES (CONTINUED)**

#### Revenue Recognition

Contributions: Unconditional contributions are recognized when pledged and are recorded as net assets without donor restrictions or net assets with donor restrictions, depending on the existence and/or nature of any donor-imposed restrictions. Conditional promises to give are recognized when the conditions on which they depend are substantially met. Gifts of cash and other assets are reported with donor restricted support if they are received with donor stipulations that limit the use of the donated assets. When a restriction expires, that is, when a stipulated time restriction ends or a purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. Donor-restricted contributions whose restrictions are met in the same reporting period are reported as net assets without donor restriction support.

Contract Revenue and Ticket Sales: The organization receives fees for administrative contract and ticket sales, which are recognized in the period in which the services are performed.

Donated Services: A substantial number of volunteers have donated significant amounts of their time in the Organization's program services and its fundraising campaigns. Donated services were not recognized in the financial statement since they did not meet the criteria for recognition under ASC topic *Contributions*.

#### Income Taxes

The Organization operates as a not-for-profit corporation under Section 501(c)(3) of the Internal Revenue Code and is exempt from income taxes. ASC guidance regarding accounting for uncertainty in income taxes clarifies the accounting for income taxes by prescribing the minimum recognition threshold income tax position is required to be met before being recognized in the financial statements and applies to all income tax positions. Each income tax position is assessed using a two-step process. A determination is first made as to whether it is more likely than not that the income tax position will be sustained, based upon technical merits, upon examination by the taxing authorities. If the income tax position is expected to meet the more likely than not criteria, the benefit recorded in the financial statements equals the largest amount that is greater than 50% likely to be realized upon its ultimate settlement. At July 31, 2022 and 2021, there were no uncertain tax positions that required accrual.

#### Functional Expenses

The financial statements report certain categories of expenses that are attributed to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include personnel, occupancy and general operating expenses on the basis of estimates of time and effort. All other expenses are allocated based on direct identification and utilization.

#### **NOTE 5 - FAIR VALUE MEASUREMENTS**

ASC topic Fair Value Measurements, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC topic Fair Value Measurements are described as follows:

#### Level 1:

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Organization has the abilities to access.

#### Level 2:

Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means;
- if the asset or liability has a specific (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

#### Level 3:

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

Money Market Funds: Valued at cost plus interest earnings throughout the year.

Mutual funds, ETP and Alternative investments: Valued at the closing price reported in the active market on which the individual securities are traded.

#### **NOTE 5 - FAIR VALUE MEASUREMENTS (CONTINUED)**

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Organization believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value or certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value:

|                         | July 31, 2022 |           |    |         |         |        |    |       |

#### **NOTE 6 - ENDOWMENTS**

The use of funds invested in the Board Managed Endowment Account is restricted. Principal can be withdrawn only for operating emergencies, after board approval. Any withdrawal of principal must be approved by 80% of the members of the Board of Directors then in office (not a simple quorum). In conjunction with the withdrawal of principal the board must approve a plan for the repayment of principal to the endowment account.

The use of funds in the Cash Reserve Fund is also restricted. With board approval, principal may only be withdrawn for revenue generating programs, capital items, equipment purchases and operating emergencies. The Organization intends that the target reserve balance for this fund will represent 10% of the current operating budget. The Cash Reserve Fund may be replenished for amounts previously distributed through transfers of surplus from the operating fund or additional donor contributions.

An amount representing 4.25% of the current calendar year end balance will be distributed on March 31 and September 30 of the following year into the Organization's general account.

The Endowment Account is comprised of:

### Interpretation of Relevant Law

The Organization has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. In accordance with generally accepted accounting principles and this interpretation, the Organization classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as unrestricted unless otherwise specified by the donor.

The Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- 1) The duration and preservation of the fund
- 2) The purposes of the Organization and the donor-restricted endowment fund
- 3) General economic conditions
- 4) The possible effect of inflation and deflation
- 5) The expected total return from income and the appreciation of investments
- 6) Other resources of the Organization
- 7) The investment policies

Composition of and changes in endowment net asset for the years ended July 31, 2022 and 2021 were as follows:

|   | July 31,      |    |         |  |  |

#### Return Objective and Risk Parameters

The Organization has adopted investment and spending policies for the endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Endowment assets include those assets of donor-restricted funds that the organization must hold in perpetuity or for a donor-specified purpose. Under this policy, as approved by the Board of Directors, the endowment assets are invested in a manner that is intended to produce results that provide a return of at least five percent (5%) above the rate of inflation as measured by the Consumer Price Index for the Endowment's first five (5) years and an average annual total portfolio return of at least six and one-half percent (6.5%) over the next ten (10) years. Actual returns in any given year may vary from this amount.

Strategies Employed for Achieving Objectives

The Organization targets a diversified asset allocation of its investments in a mix of asset classes that is expected to achieve its long-term return objectives within prudent risk constraints. The funds are to be broadly diversified in order to minimize the risk of large losses in individual investments. The commitment to any one security should be limited to a maximum of ten percent (10%) of the portfolio's market value, with the exception of United States Government Securities and mutual funds (or other diversified pools). The organization's asset mix includes: cash and cash equivalents ranging from 0 to 20 percent, equities ranging from 40 to 75 percent and fixed income investments ranging from 25 to 55 percent of the investment portfolio.

#### **NOTE 7 - INTANGIBLE ASSET**

The Organization has an intangible asset included in prepaid expenses and other assets. The intangible asset consisted of the following:

|                                | <br>July 31, |      |         |  |
|--------------------------------|--------------|------|---------|--|
|                                | 2022         | 2021 |         |  |

|                                | \$<br>1,409  | \$   | 1,727   |  |

Future amortization expense is \$318 for each of the next three fiscal years and \$97 for the six fiscal years following. The Organization's future cash flows are not materially impacted by its ability to extend or renew agreements related to its amortizable intangible assets.

#### **NOTE 8 - PROPERTY AND EQUIPMENT**

Property and equipment consist of the following:

|                                    |      | July 31, |      |          |  |

Tuly 21

Depreciation expense was \$8,826 and \$8,331 for the years ended July 31, 2022 and 2021, respectively.

#### **NOTE 9 - NOTES PAYABLE**

#### Line of Credit

On March 18, 2021, the Organization entered into a line of credit agreement with a bank for general business purposes. The maximum borrowing capacity of the line is \$150,000. This credit facility bears interest at a variable rate associated with the one month LIBOR rate, plus 3.75%. As of July 31, 2022, the balance due was \$0. The line is secured by the Organization's investment accounts.

Paycheck Protection Program ("PPP") Loan

On May 5, 2020 and March 23, 2021, the Organization received loan proceeds in the amount of \$113,900 and \$123,400, respectively, under the Paycheck Protection Program ("PPP"). The PPP, established as part of the Coronavirus Aid, Relief and Economic Security Act ("CARES Act"), provides for loans to qualifying businesses for amounts up to 2.5 times of the average monthly payroll expenses of the qualifying business. The loans and accrued interest are forgivable after twenty-four weeks as long as the borrower uses the loan proceeds for eligible purposes, including payroll, benefits, rent and utilities, and maintains its payroll levels. The loans were forgiven in full on January 12, 2021 and August 25, 2021, respectively.

#### **NOTE 10 – DEFERRED RENT AND OPERATING LEASE COMMITMENTS**

The Organization leases office space under an operating lease for \$3,896 per month, increasing annually, and expiring on April 1, 2023. Payments under this lease are expensed on a straight-line basis, which results in a deferred rent liability. As of July 31, 2022 and 2021, the total amount deferred was \$2,525 and \$9,821, respectively. Deferred rent is recognized over the term of the lease. Total rent expense for the years ended July 31, 2022 and 2021 was \$45,475 and \$42,393, respectively. The Organization also leased office equipment for total monthly payments of approximately \$130 which expired in August 2021.

Schedule of future minimum lease payments required under the leases for the years succeeding July 31, 2022, are summarized as follows:

| Years ending July 31, | Д  | Amount |  |  |
|-----------------------|----|--------|--|--|
| 2023                  |    | 35,063 |  |  |

#### NOTE 11- LIQUIDITY AND AVAILABILITY OF FINANCIAL ASSETS (CONTINUED)

As part of the Organization's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due.

#### **NOTE 12 - BOARD DESIGNATED NET ASSETS**

The Board of Directors designated net assets for use after July 31, 2022 and 2021, of \$205,988 and \$0, respectively.

#### **NOTE 13 - NET ASSETS WITH DONOR RESTRICTIONS**

The Organization receives support from varying sources that are restricted, either by purpose or passage of time.

The following table summarizes the portion of net assets that are restricted for the following purposes or periods at July 31, 2022 and 2021:

|  | 2022 |         | 2021 |         |
|--|------|---------|------|---------|

| Total net assets with donor restrictions | \$   | 268,032 | \$   | 364,133 |

Permanently restricted net assets represents an endowment which totaled \$185,366 and \$210,570 as of July 31, 2022 and 2021, respectively.

#### **NOTE 14 - OTHER FOUNDATION ENDOWMENT**

The Organization has an Endowment Fund (the "Fund") with the Community Foundation for Southeast Michigan ("CFSEM"). The Fund is maintained and administered by CFSEM for the purpose of providing support to further the general charitable purposes of the Organization. Annual distributions are based on the average market value of the Fund for the previous twelve quarters and totaled \$11,227 and \$10,871 for the years ended July 31, 2022 and 2021, respectively. The assets held in the Fund had a market value of \$257,219 and \$290,227 as of July 31, 2022 and 2021, respectively. Such assets are excluded from the accompanying financial statements.

#### **NOTE 15 - EMPLOYEE BENEFIT PLAN**

The Organization has established a 403(b) employee benefit plan covering all eligible employees under which voluntary employee contributions are permissible. The Organization may make a discretionary matching contribution as determined by the Organization each year. Plan assets consist primarily of mutual funds. For the years ended July 31, 2022 and 2021 the Organization did not make any matching contributions.
